THE KIDS MAKE IT BIG IN HAMBURG

Holidays in Hamburg – a fantastic experience! Anyone who plays in the sand on the Elbe beach, gorges on waffles at the Willi Villa kiosk at Wilhelmsburger Inselpark or has adventures at the playground in Grasbrookhafen has no time for wanderlust. We show how the kids make it big here and conquer Hamburg.

A DAY AT THE INSELPARK

With southern flair and a wide range of attractions, Wilhelmsburger Inseipark was lovingly redesigned for kids and completed in 2013. Both young and old get their money's worth here and it's free. Those wanting to fly high can climb through the high rope course. For water lovers, we recommend the swimming pool and cool kids enjoy cruising through the skate park.

 **killtec®**

EXERCISE IS GOOD FOR US

The small playing field at the skate park has plenty of room for a kick around and throwing balls. There are football goals and basketball hoops; the kids can challenge each other and let off some steam. Lots of fun, a good atmosphere and new friends are all guaranteed.

WILLI VILLA KIOSK

Those who have been busy occasionally need a tasty refreshment. Willi Villa conjures up hot waffles, pizzas and toasted sandwiches for hungry pirates. Canoes and paddleboards await the next captain for another adventure — there are tips and tricks on the water around the canoe circuit.

THE HANSEROCK HIGH ROPES COURSE

Those who are brave definitely get their money's worth in HanseRock high rope course's birch forest. The whole family can climb through all the continents in the world on five different courses — over 36 masts at heights between three and ten metres. Friends, siblings and parents experience a very special adventure here.

FUN ON THE ELBE BEACH

Summer, sun, the beach and
water – all this and more at Hamburg's
Elbe Beach. Simply chill on the sand,
watch ships or chase the dogs
around – kid and adults can experience
this on the kilometre long beach
and enjoy the summer.

 **killtec®**

FAVOURITE PLACE — BEACH

Whether it's cycling, skating or swimming – a day at the Elbe beach is like being on holiday and in the centre of the city. Take off your shoes and clothes, lie in the sun and then enjoy the cool water.

FIND THE ALTE SCHWEDE

The 217 tonne erratic boulder "Alter Schwede" is not to be missed. It was rescued from the Elbe and dates back to the Stone Age. From the Alte Schwede it's a short walk to the Strandperle, where even grandma and grandpa can lounge in the sun. There are refreshments here such as Coca-Cola and hot dogs, as well as comfortable seating areas with a view of the ships.

OVER THE ELBE AND BACK UNDER THE ELBE

It's very cheap to explore the Port of Hamburg by boat. A HVV ticket is all you need and you're off to the other side of the Elbe by ferry. There you'll find Hamburg's famous musicals, comfortable places to sit and beautiful cycling routes. In the evening you can take an exciting hike through the Old Elbe Tunnel back to the jetties.

MADA JR FUNCTIONAL V-NECK T-SHIRT NAARAH ALLOVER JR CASUAL SHORTS

A young child with brown hair, wearing a bright yellow raincoat with blue and white striped sleeves and blue pants, is sitting inside a large wooden pirate ship play structure. The child is looking up and to the right with a joyful expression. The structure is made of light-colored wood and is situated on a sandy beach. In the background, there are more wooden structures and a yellow coiled hose on the sand.

FUN AND GAMES IN THE CITY

In summer Grasbrookpark is a real adventure paradise for young and old.

The playground was designed by creative architects with a pirate theme. Even the local residents were heavily involved in the designs. The palm tree climbing wall with tree house and slide was in fact the children's idea.

 **killtec®**

A TREASURE ISLAND ON THE ELBE

At the "Treasure Island" playground, die-hard pirates have everything that daring sailor hearts desire. A pirate ship in a pool, palm trees and washed up barrels provide the South Sea atmosphere. It is inspired by the famous pirate Klaus Störtebecker, whose statue is within sight of the playground.

A LARGE PLAY AREA

There is plenty of space to play in the playground. There are swings, ropes and other spots for sport lovers. The sand and water table is a lot of fun. There is always something going on at the football pitch with its goal wall.

Special sales shall be effected exclusively on the basis of the net amounts and shall be immediately payable. Deliveries to foreign countries shall, in principle, be effected in consideration of advance payment. Agreements deviating from the above shall be valid only if such are memorialized in an offer or a valid price list.

The date on which the amount has been received by **killtec** or credited to its bank account shall be deemed to be the date the payment was received. The risk of the payment path shall in any event be borne by the buyer. Interest accrued under applicable law shall be calculated for default periods (8 percentage points over the base interest rate). Such shall have no effect upon the right to file for other default damages. Exchanges shall not be accepted as a payment method. Should it become evident after a contract has been executed that the claim **killtec** has to payment is jeopardized on account of the buyer lacking solvency, then **killtec** shall be authorized to demand the immediate payment of any and all of its still open claims and to effect the fulfillment of executed delivery agreements only in consideration of security or pre-payment therefor being rendered by the buyer. Such shall not affect any other claims under applicable law. The buyer can set-off its claims against the claims of **killtec** only if the counter-claim of the buyer has not been contested or has been established in a legally effective manner. The same shall apply to exercising any retention or service refusal rights.

5. OWNERSHIP PROVISIO

The products shall remain the property of **killtec** until all open claims arising from the business relationship, including any ancillary claims, have been paid in their entirety and until checks have been cashed. For current invoices, the ownership proviso shall be considered security for the account claim of **killtec**.

Should the proviso goods be combined with other goods not belonging to **killtec**, then **killtec** shall acquire co-ownership of the new item with the invoice value of its proviso goods being proportionate to the value of the other goods combined therewith as of the date they were combined. The buyer shall hold such for **killtec** in safe-keeping with the diligence of a professional.

The buyer shall be authorized to re-sell the proviso goods only with due consideration for the following provisions and only under the condition that the claims arising from the re-sale be transferred to **killtec**. The authorization of the buyer to sell proviso goods during the ordinary course of business shall terminate in the event **killtec** revokes such authorization as a consequence of any deterioration in the credit of the buyer that **killtec** becomes aware of.

The buyer has to sufficiently insure the proviso goods, in particular, against fire and theft. Claims against insurance companies arising from cases of damages are hereby assigned to **killtec** in the amount of the value of the proviso goods (gross amount of **killtec** invoices).

The buyer hereby assigns in advance any and all claims it is entitled to at present or in the future arising from any re-sale or arising from any other legal reason regarding the goods delivered by **killtec** as of the date such claims are caused and in the amount of the value of the proviso goods. And **killtec** accepts such assignment. The value of the proviso goods shall be the invoice amount plus a security premium of 10%, which shall not be applied, however, provided that third party rights conflict therewith.

The buyer shall remain authorized to collect the assigned claims in its own name as long as it is properly fulfilling its contractual obligations vis-à-vis **killtec** and/or its economic situation has not deteriorated.

The buyer is to immediately notify **killtec** in the event the ownership rights of **killtec** are seized or otherwise negatively impacted by third parties and is to confirm the ownership rights of **killtec** vis-à-vis third parties as well. The buyer shall not be permitted to pledge or transfer the proviso goods as security. Should the value of the securities rendered to **killtec** exceed the claims by a total of more than 10%, then **killtec** shall, upon demand by the buyer, be obligated to release correspondent securities. Upon all open claims arising from the business relationship being repaid, ownership of the proviso goods and the assigned claims shall be transferred to the buyer.

6. DEFECT LIABILITY

Obvious or visible defects are to be immediately re-

ported in writing, but by no later than a week after the goods have been received; non-visible defects are to be reported immediately after they have been identified. Notwithstanding any negotiations regarding the complaints, **killtec** shall reserve the right to object to complaints for defects that have not been inspected and objected to in a timely and proper manner. Defective goods are to be sent to **killtec** with the shipping order and the packaging slip and shall be improved or replaced with unobjectionable goods by and at the discretion of **killtec** within a reasonable period of time. Should the subsequent performance ultimately fail or should **killtec** allow a reasonable deadline for such subsequent performance set for it to lapse without success on account of its own culpability or should **killtec** refuse to render such subsequent performance or should such be impossible or unreasonable for the buyer, then the buyer can withdraw from the contract or demand that the price be reduced. Should but minor deviations exist that do not negatively impact the functionality of the goods, then the orderer shall only be entitled to a price reduction.

Insofar as a defect has not been maliciously concealed or a guarantee regarding the quality of the goods has been given, defect liability shall be precluded if the goods are b-goods of the parties offered at sui generis conditions. Defect claims contemplated under § 437 BGB (Bürgerliches Gesetzbuch, the Civil Code) shall lapse in 12 months commencing as of the delivery date. Item 7 of these Terms and Conditions shall be applicable to any liability regarding claims for damages.

7. GENERAL LIABILITY

Notwithstanding this Item 3 para. 3, claims for damages of any kind—within and without the framework of defect liability—arising, for example, from default or impossibility, due to a violation of any other contractual obligations, arising from culpability regarding termination of any contract, arising from illegal actions or from any other legal reason, especially of claims not caused to the deliverables themselves, shall be precluded, insofar as the following two paragraphs do not contain anything to the contrary.

Liability shall only apply for malicious intent or gross negligence, for culpable injury to life, body, health, for maliciously concealed defects, for the assumption of a quality guarantee, or for defects in the deliverables, provided that liability is prescribed under the Produkthaftungsgesetz (the Product Liability Act) for material damages to privately used things or for personal damages.

killtec shall also be liable for the culpable violation of material contractual obligations; in such an event, liability shall, however, be limited to damages that are typical for the contract and reasonably predictable. Material contractual obligations shall be such obligations, the fulfillment of which enables the proper performance of the contract per se and the compliance with which the contractual partners regularly rely upon and may rely upon.

8. PLACE OF PERFORMANCE, VENUE, MISCELLANEOUS

The place of performance shall be the seat of **killtec**. The exclusive venue for any and all disputes with merchants or persons not having any general jurisdiction within Germany—even for check disputes—shall be Hamburg, Germany. **killtec** shall be authorized to take legal action against the buyer in its general jurisdiction as well.

German law shall apply. The application of the United Nations Convention on Contracts for the International Sale of Goods (CISG) shall be precluded. Provided that such are used by **killtec** during the order, the Incoterms 2000 shall be applicable, as they may be amended from time to time. The ineffectiveness of individual provisions shall not affect the validity of the remainder of these Terms and Conditions.

Any and all personal data shall be treated in confidence by **killtec** with due consideration for applicable law.
